## **JOHN HOLLAND FATALITY - WESTERN AUSTRALIA**

19 March 2009

It is with deep regret that John Holland announces that a John Holland employee has died in an accident at the Newman Hub Project site in Western Australia early this morning.

Our deepest sympathies are with the employee's family and work colleagues at this time and support is being provided.

John Holland has mobilised its incident response team and is cooperating with the relevant authorities. The safety of all involved is our top priority.

Construction work has been suspended at the Newman Hub construction site.
